

Village Hall Facilities and Equipment

- The main hall measures 21m x 7.5m (68ft x 24ft), with a ceiling height of 3.8m (12.5ft). This can be divided into 2 separate rooms, each half the length of the main hall.
- The Reading Room is a small meeting room measuring 3m x 5m (9.75ft x 16.25ft) which, equipped with an under the counter fridge, can also be used as a drinks serving area.
- The hall is heated 24/7 by ground source under floor heating.
- Car parking spaces for 22 cars plus 2 disabled parking spaces.
- 120 banquet chairs
- 24 chairs with arms
- 12 rectangular tables @ 6ft long.
- 5 rectangular tables @ 4ft long.
- 12 circular tables @ 5ft diameter.
- 2 ft high staging is available at an extra cost and consists of 6 platforms @ 1m x 2m, so fully set up measures 4m x 3m.
- Disabled access and toilets.
- Baby changing facilities.
- Audio visual equipment, with an 8ft screen and ceiling mounted projector which can be linked to most computers. A DVD player is available. We have hand held and lapel microphones and hearing loop.
- We have a superbly equipped commercial style kitchen.
Equipment includes:
 - large catering style fridge and small freezer.
 - heated cupboard
 - commercial dishwasher taking only 4 minutes per wash
